03/08/2019	34	<p>Minute Entry for proceedings held before Magistrate Judge Laurel Beeler: Further Case Management Conference held on 3/8/2019. The court held a case-management conference. The plaintiffs will give the defendants a narrowed version of their FOIA request (as specific as possible) within a week. The government will confer with the client and within a week of receipt, will update the plaintiffs about any proposed narrowing and the time period for collection of the records. After the time period for collection of the records has lapsed, the government will update the plaintiffs about the volume of records collected and propose a time period for producing that information. If the request is sufficiently narrow, this may allow production to the plaintiffs by May. Thereafter, the parties will confer about a timeline for further narrowed requests or the production of a Vaughn index (and will discuss whether the agency might produce a rolling Vaughn index based on the plaintiffs' prioritization of certain productions). As a calendaring device, the court sets a further case-management conference for June 20, 2019 at 11:00 a.m. and directs the parties to file an updated case-management statement by June 13, 2019. The parties may adjust this case-management conference by stipulation (and may request an earlier conference if it would be helpful). (Not Reported).</p> <p>Further Case Management Conference set for 6/20/2019 at 11:00 AM in San Francisco, Courtroom B, 15th Floor.
